

AMERICAN GARAGE

Automotive Scholarship Application Form

At American Garage in Chinook, we believe that investing in our area youth is the most important value we can add to the communities we serve.

Since 2016, we have given away over \$8000 in bikes to area youth that have excelled in school and their attendance. Due to complications with Covid, we were unable to giveaway bikes in the Spring of 2020 so at that time, we decided to change our focus and reward students that are entering into the Automotive field, something we feel very passionate about.

Any graduating senior from any community in Blaine County, that will be entering college in a career related to Automotive, are encouraged to apply.

Some of the fields that qualify are: Automotive Technology, Automotive Mechanics, Diesel Mechanics, Automotive Engineering, Alternative Energy for Automotive, Automotive Mechanical Design and Collision. We will be awarding two Scholarships of \$500 each.

First Name: _____ Last Name: _____ MI _____
